OUR COMMITMENT

Quality is not only our standard, but an attitude instilled in our company.

EXPERTS SINCE 1997

Maman Corp. is a comprehensive construction management team and general contractor

We create environments for your team to do its best work. We do it through expertise, creativity, and attention to every detail - our ingredients for over 20 years of success.

We build possibilities.

We've built a team of in-house experts as well as a broad network of specialists so that we can deliver exactly what you need in creative solutions, technology, and materials. With every project, we strive to create—and realize—a vision that fulfills the client's needs and results in an extraordinary environment. While we've grown, a few fundamentals have remained constant. We're still a family business with client commitment and superior partnership in mind on every job. We're still driven to bring creative solutions and expertise to every challenge.

OUR COMMITMENT

Quality is not only our standard, but an attitude instilled in our company.

We love what we do --- and it shows, in both the quality of our work and in the enduring relationships that have fueled our company growth.

We're always looking to build the next great thing. Is it yours? Let's talk.

A wide range of services to meet the challenges of any job.

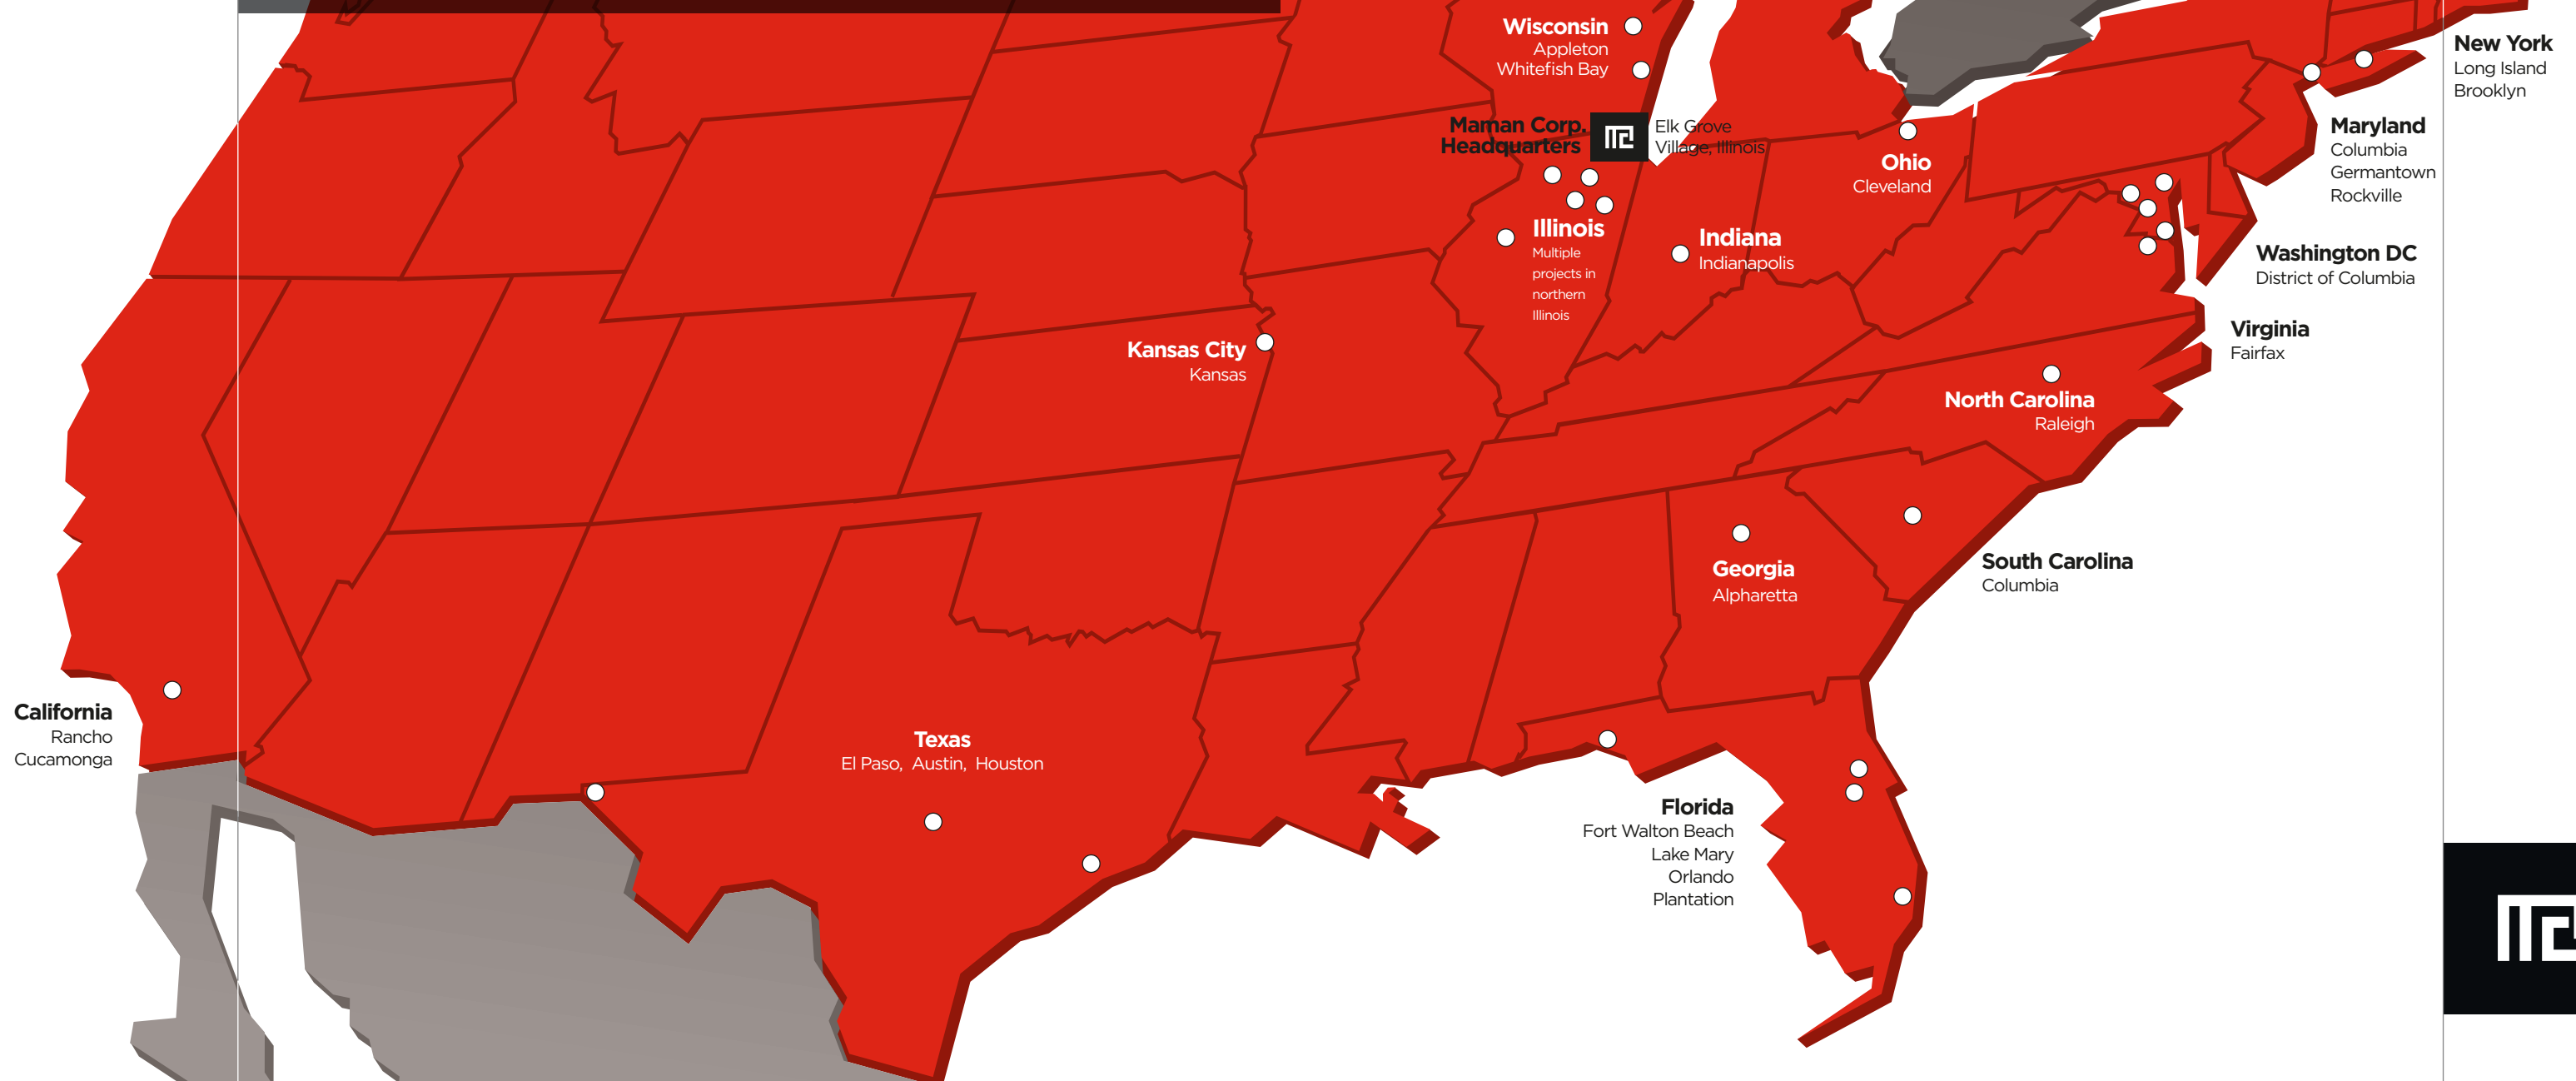

GROWING A NATIONWIDE BUSINESS

Geographical reach.

Maman Corp. began in 1997 as an interior finishing contractor in suburban Chicago. Since then, we've grown to become a full-service Construction Management team and General Contractor working in 15 states, and counting. Though our expertise has grown from high-end interior work to complete new construction and construction services, our commitment to superior quality is as strong today as ever.

Tenant Improvements

A disciplined, thorough process ensures creativity becomes reality. That's why we cover every step and detail, from the first call to the final walk-through. At every point along the way, we're focused on safety, attentive to evolving on-site needs, and dedicated to a stunning end result.

Update or Refurbish Public Spaces

OUR EXPERTISE
**A higher level of satisfaction,
inside and out.**

While we're proud of our reputation for quality work, we're prouder still that first and foremost in everything we do is an unwavering commitment to client satisfaction.

Schneider Electric

OUR CLIENT COMMITMENT
Quality construction begins with a quality relationship

Whether yours is new construction, an addition, or a renovation, we'll bring our expertise and innovation to the challenge.

New Construction

The challenge of construction design is finding a singularly elegant solution to answer a myriad of competing questions: Is it beautiful, but also practical? Efficient. Exquisitely crafted. Environmentally responsible. On time, on point, on budget.

PROJECT TYPE
Exterior Facades and Landscapes

Customer Experience

Maman Corp. brings together over a century of combined experience with the knowledge and vision to apply new technologies, materials and innovative design. We work closely with you to fully understand your objectives and go beyond the expected to find the best possible solution.

OUR VISION

We go beyond the expected to find the best possible solution.

We offer customized construction services and capabilities for commercial and industrial clients to help them refresh and re-imagine their spaces.

WHO WE ARE
**Our highly skilled team is
always at your service**

We've developed a strong working relationships with vendors and subcontractors, many of whom we've worked with for well over a decade. As a result, we're able to bring our clients smarter, more efficient solutions.

Mission Critical

Let's face it—the work we do with clients isn't just about the walls. It's about everything that happens within them: productivity, innovation, breakthroughs, and progress. That's why we work with each and every client to create spaces keyed to business needs. We combine our knowledge of technology and trends with our construction expertise to build what's next for you—and to ensure it performs.

PROJECT TYPE
High Security and Technical/ Data Centers

Industrial

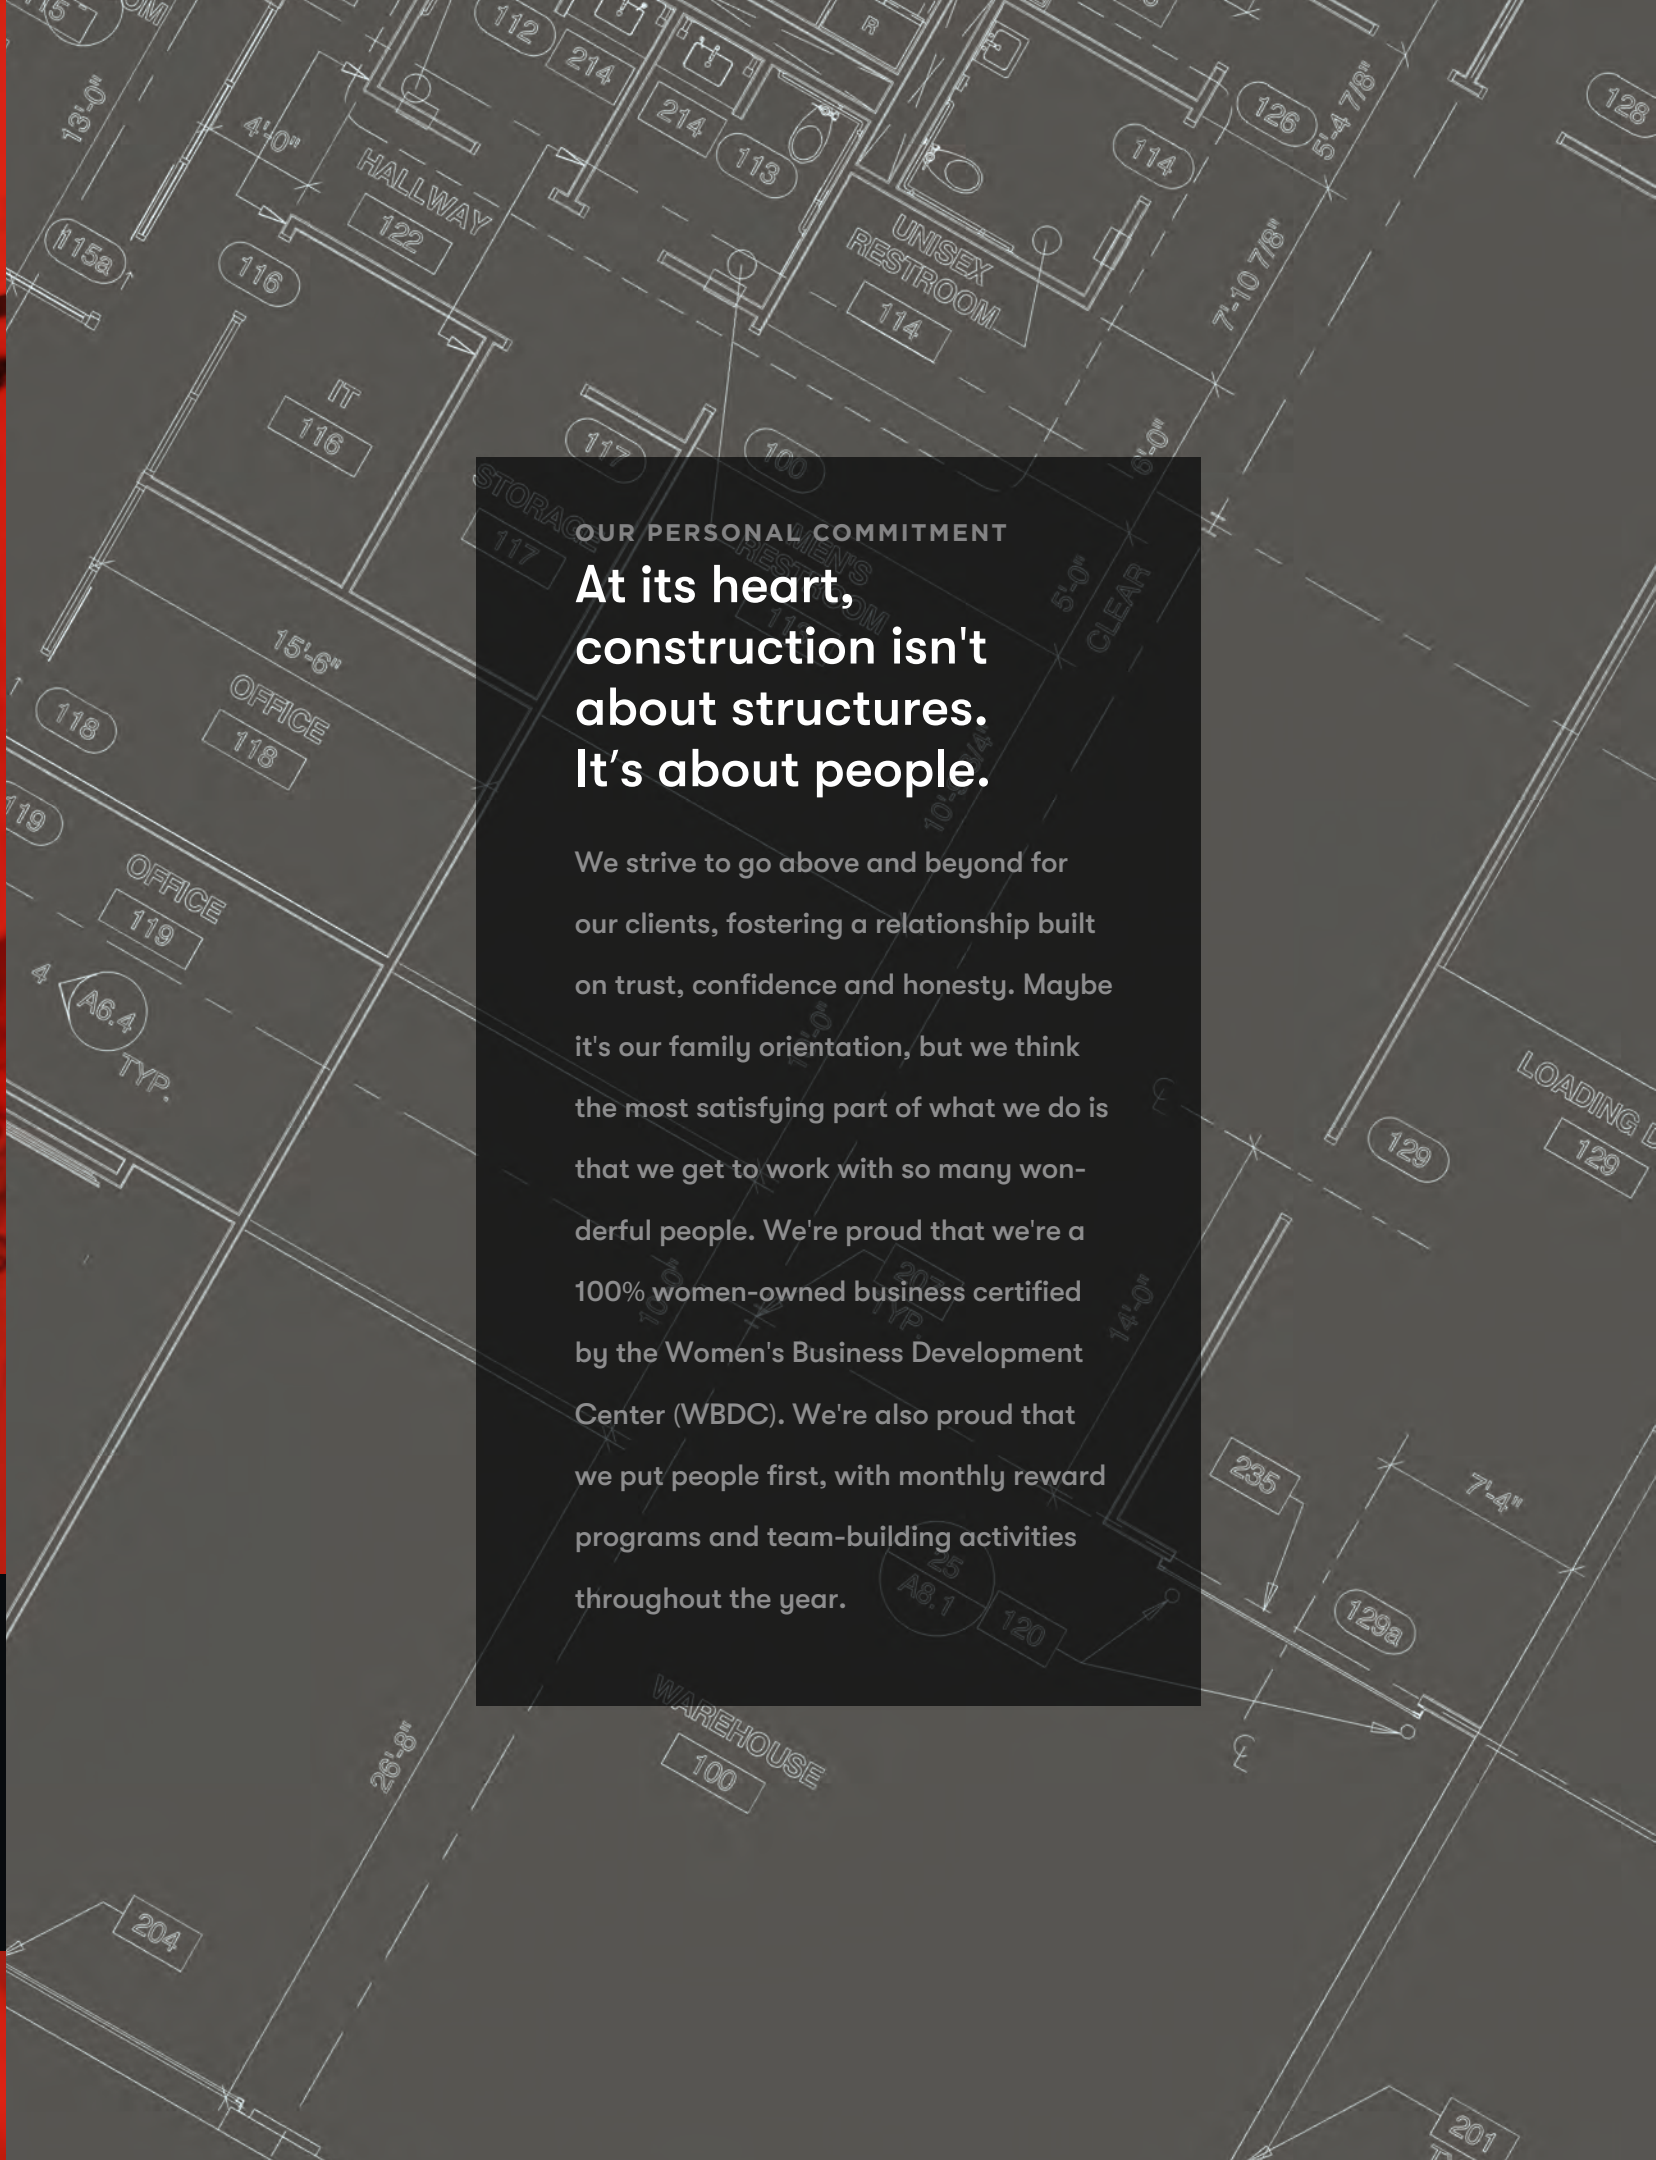

At Maman Corp., our team members share a commitment to high safety standards, enabling us to provide the safest and healthiest work environment possible. Many of our projects cannot be featured in this section due to the Security levels of the space.

Maman's team is all background checked, and trained to provide the best product with the strictest deadlines and toughest of specifications.

OUR SAFETY SERVICES
**Building a safer
workspace**

By implementing ongoing training and important initiatives such as weekly on-site inspections and employing only OSHA trained and certified carpenters, Maman is committed to making safety an integral part of our work plans.

OUR PERSONAL COMMITMENT

**At its heart,
construction isn't
about structures.
It's about people.**

We strive to go above and beyond for our clients, fostering a relationship built on trust, confidence and honesty. Maybe it's our family orientation, but we think the most satisfying part of what we do is that we get to work with so many wonderful people. We're proud that we're a 100% women-owned business certified by the Women's Business Development Center (WBDC). We're also proud that we put people first, with monthly reward programs and team-building activities throughout the year.

OUR EXPERTISE

**A higher level of
satisfaction
inside and out**

Maman Corp. today ranks as one of the most highly-regarded construction management firms in the healthcare, retail, and commercial and industrial markets. As you might expect of a company that began as a high-end interiors contractor, we pay strict attention to the smallest details. And while we're proud of our reputation for quality work, we're prouder still that first and foremost in everything we do is an unwavering commitment to client satisfaction.
